

MACK ENGINE OIL

PURE PERFORMANCE.

Mack Engine Oil EOS-4.5, SAE 10W-30 and 15W-40 are extra high performance diesel engine oils made for even the most severe on and off highway applications.

These are uniquely formulated oils with proprietary additive technology made to provide optimum performance in Mack engines and exceeding the requirements of all North American diesel engine manufacturers.

Representing a major advancement in performance and durability over API CJ-4 and Mack EO-O Premium Plus oils, Mack Engine Oil EOS-4.5 10W-30 and 15W-40 provide the following improvements:

- **20%** better wear protection
- **50%** better oxidation resistance
- **80%** better high temperature viscosity control
- Longer oil drain intervals in Mack engines compared to “market general” EOS-4.5 compatible products
